

# Tourist Opportunities:

Jordan International Energy Exhibition is not only an event of business opportunities but you have a chance to be in touch with the elements of nature and to be with yourself.

Jordan is a land that encompasses all, sea and mountains, waterfall and dessert. From the relaxing water of the Dead Sea to the amazing mountains and desert of Wadi Rum, or Petra one of the new seven wonders, and a lot of other amazing and wonderful places in Jordan.

The organizers are at your services to arrange excursions to visit the attractive places in Jordan through the Exhibition days and the next weekend after the event, Details about tourism opportunities and important information required for tourists in Jordan are available at the Events consultant group.
