Virtual Conference

Dear Colleague,

On behalf of the Organizing Committee, it is our pleasure to welcome you to participate in the Frist Jordanian International Chemical Process Safety Virtual Conference (JCPSC), which will be held in March, 30th to 31st, 2021 via the Zoom platform.

This conference is being held in cooperation between the Jordanian Chemical Process Safety Engineers Society (JCPSES), Arab Fertilizer Association (afa) ,and the Jordan Engineers Association (JEA) and the International Research Center for Water, Environment and Energy (IRCWEE) at the Balqa Applied University (BAU).

The conference will cover a wide range of topics related to breaking research in the chemical process safety. Our conference will bring together researchers, engineers, academics, and students to discuss the latest developments in chemical process safety, and will be one of the most exciting opportunities for those who are seeking to expand their professional network. Also, the conference will feature several international keynote speakers from specialized institutions that excel in chemical process safety, I hope you will have the opportunity to join us the conference

Chairman of JCPSC Organizing committee  
Prof. Mohammad Ma'touq
