

Forward

Jordan Engineers Association/ Mining, Geological and Petroleum Engineering Branch is honored to cordially invite engineers, geoscientists, researchers and all interested specialists and organizations from all over the world to participate and attend the 7th Jordanian International Mining Conference (JIMC7) to be held in Amman-Jordan during the period October 21-23, 2014 under the Slogan:

“Strategic Energy Resources and Development Challenges in the Mining Sector”

The Organizing Committee has chosen topics of themes that reflect the interdisciplinary nature of today's science and technology and emphasize the importance of mining sector in addressing communal and economic problems. Controlled mining of natural resources with non-harmful effects on the environment is the goal of modern mining activities for better future of the mankind on Earth.

Since the conference will be held in Amman, the Capital of Jordan, which is rich in its historical and archaeological sites, and natural and geological features, you will have the opportunity to visit some of these historical and archaeological landmarks and see some of the mining activities during the excursion which will be organized after the transactions of the conference.

Objectives

- 1 Presentation of state-of-the art technologies, equipments, and devices used in all stages of mining and energy generation activities taking into account the environmental aspects.
- 2 Demonstrating the current development status of the mining sector and means of improvement.
- 3 Highlighting the status of technology uses of energy resources due to the high demand for energy locally and worldwide.
- 4 Demonstrating the current status, challenges and obstacles facing the mining sector and proposed solutions.
- 5 Networking, and sharing of knowledge, experience, lessons learned and points of view.

Conference Themes

- 1 Strategic Energy Resources and Mining Economics.
- 2 Technological Developments in the Mining and Energy Sectors.
- 3 Plans and Strategies for the Mining Sector Development.
- 4 Current Status and Future Prospects of the Mining Sector.

Abstracts

In selecting the abstracts emphasis will be placed on originality, new material, and scientific approach. The Organizing Committee reserves the right to refuse any abstract based on the selection criteria and recommendations of the scientific committee.

Abstracts should be submitted either in Arabic or English with no more 2500 characters. Authors are free to submit a translation of the abstract in any other language. The translation will be published adjacent to the English version in the Book of Abstracts

The following are advised for English script :

- Title: 14 point font, caps-small, bold. Times New Roman
- Name of the Author(s), position, addresses, phone, fax and electronic mail: 12 point font cap -small.
- Headlines: 12 point font, cap – small, bold.
- Text: 12 point font, 1.5 space, Margin: Left-2.54 cm; Right-2 cm. MS Word file

Abstracts must be uploaded through the following link :
<http://www.jeaconf.info/JIMC/SignIn.aspx>
Accepted abstracts will be published in a special Book of Abstracts to be distributed during the conference.

Conference Fees

Category	Members of Jordanian Professional Associations (JOD)	Non Members of Jordanian professional Associations (JOD)
Organizations and Individuals	140	210
Students and unemployed fresh graduated mining engineers	50	50

*JOD is equivalent to about 1.41 USD

Dates and Deadlines

Abstract submission deadline	15 / 1 / 2014
Notification of abstracts acceptance	31 / 3 / 2014
Full papers submission deadline	30 / 5 / 2014
Notification of full papers acceptance	15 / 8 / 2014
Receipt of Final Papers	31 / 8 / 2014

Exhibition

A specialized exhibition will be held in concurrence with the conference to give a chance for mining and energy companies to present their activities, technologies, products and topics related to mining and earth sciences. Details will be available later.

Organizing Committee

Chairman:

- Dr. Muwafaq Al Zoubi

Vice-Chairman:

- Eng. Mohammed Najeeb Gharaybeh

Members:

- Dr. Abdelfattah Abu-Hassan
- Eng. Ahmad Mubaideen
- Eng Ali Nasser
- Dr. Awwad Altiti
- Eng. Darwish Qandil
- Dr. Issa Oweis
- Eng. Iyad Al-Hajibi
- Dr. Khaled Tarawneh
- Eng. Loay Al-Ramahi
- Eng. Mohammad Abu Taha
- Eng. Mohammad Fandi Nasser
- Eng. Mohammad Hammouri
- Dr. Nasser Al-Nawasreh
- Geo.Taha Al-Khawaldeh
- Prof. Dr. Yousef Masannat
- Eng. Zuhair Rabba

Conference Coordinator :

- Eng. Sawsan Qteashat

For details and correspondences, kindly see below:

- Tel: +962-6-5000900 Ext. 192
- Fax: +962-6-5676933
- Mobile: +962 796646863
