

Shaping Tomorrow's
Built Environment Today

Benefits of ASHRAE membership

Eng. Helal Abu Zahra

ASHRAE Mission

Shaping Tomorrow's
Built Environment

Who are we in ASHRAE

- **Formed** in 1959.
- **More than 50,000** members in 133 countries
 - 5,000 student members
 - 172 chapters
 - 230 student branches
- **Consulting** engineers, contractors, manufacturers, manufacturing representatives, researchers, professors and architects

Carrying Out Our Mission

- **Create** industry standards and recommended procedures and guidelines
- **Develop** research
- **Publish** technical information
- **Educate**

What makes ASHRAE useful to you

- **Encourages** participation from people all over the world
- **Technical** foundation built by volunteer members
- **One** of few HVAC&R organizations in world with own research program

Power of Chapters

In addition to chapters in the United States,
Puerto

Rico, Canada and Mexico, ASHRAE has
chapters in Brazil, Argentina, Singapore,
Hong Kong, Malaysia, Taiwan, Philippines,
Thailand, Qatar,

India, Saudi Arabia, Egypt, Lebanon, Kuwait,
Greece, Sri Lanka, Pakistan, the United Arab
Emirates, Portugal, Romania, Poland,
Bahrain, Spain and Indonesia.

Gives you Representation

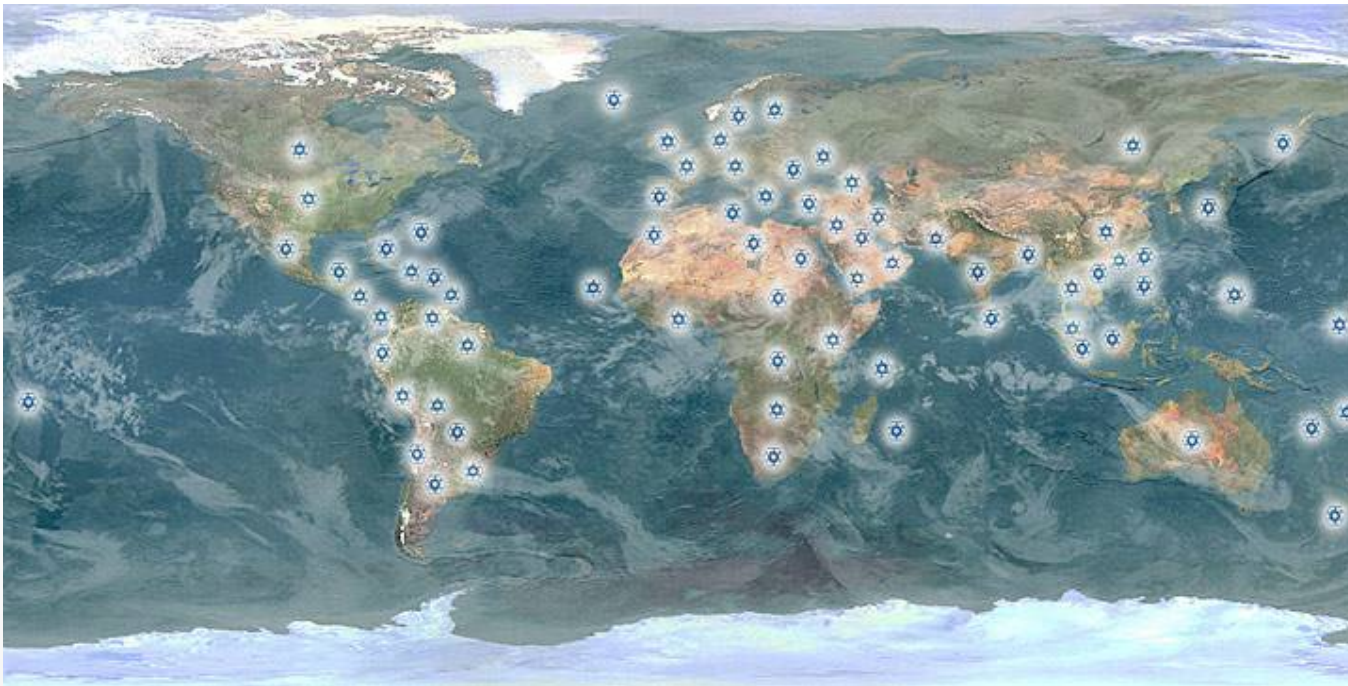

- Provides you with a voice
- Gives you representation
- Allows you to communicate your desires and needs

Gives you Networking

- **Provides** opportunities to meet other professionals in the industry
- **ASHRAE** cuts a slice across the HVAC&R industry – government officials, teachers, engineers, owners
- **Provides** you with opportunity to build the community of HVAC&R

Gives you Global Access

- Gives you access to other groups and people around the world
- Your knowledge is now global, not just local

Gives you Knowledge

- **Provide** access to tools and training through ASHRAE
 - Distinguished Lecturer Program
 - Satellite Broadcast
 - Chapter Regional Conferences
 - Standards
 - Research Results
 - Certification

What's "Cool" In ASHRAE?

- ASHRAE promotes energy efficient, savings, and recovery
- ASHRAE reports on building controls, automation and integration.
- ASHRAE focuses on green building issues and green technology
- ASHRAE maintains standards for indoor air quality
- ASHRAE promotes solar and other alternative energy sources
- ASHRAE offers certification programs, online learning opportunities and courses and seminars at ASHRAE Conferences

www.myspace.com/ashrae164040

ASHRAE STUDENT MEMBERSHIP TRANSFER FORM **Save time and transfer online at www.ashrae.org/students.**

WHAT IS THE 16-40-40 STUDENT TRANSFER PROGRAM?

Simply put, it's the best way for ASHRAE student members to continue receiving the many member benefits of ASHRAE after finishing college.

HOW DOES IT WORK?

1. The first year out of college annual membership is still only \$16.
2. Then it is only \$40 for the second year and \$40 for the third year.
3. You save up to \$274 and get three years of membership for \$96. (\$16-\$40-\$40)

SAVE MONEY. SAVE TIME. REGISTER ONLINE.
